Task

Work with a partner to answer the following questions. Your group will create a presentation (PowerPoint or Prezi) that answers each question in your section. At the end of class (9-30-16) you will email your presentation to Mrs. Fleenor at ahardee@columbus.k12.nc.us. Each slide should answer the question and include one related image. With a partner, click on the highlighted word in each question to travel to the site on which you will find the answers. If there is no highlighted word, then use a search engine (like Google) to find the answer. You may have to choose different links within a site to find the answers. Each pair will need to have presentation notes that they plan to use during their presentation. Presentations will begin on Monday (10-3-16). *This is for a TEST GRADE!
